

CLIMATE ACTION IN SG

A monthly e-newsletter on Singapore's sustainable development and climate action efforts

Sustainable Development - G20 Agriculture Ministers' Meeting

Minister Masagos Zulkifli, Singapore's Minister for the Environment and Water Resources, attended the G20 Agriculture Ministers' Meeting in Niigata, Japan from 11 - 12 May 2019, where he met Minister Takamori Yoshikawa, Japan's Minister of Agriculture, Forestry and Fisheries. Minister Masagos spoke on Singapore's contribution to SDG 2: Zero Hunger and strategies to bolster food security by: 1) Growing local; 2) Growing overseas; and 3) Diversifying imports.

Circular Economy Waste-to-Energy Research Facility

Singapore's Nanyang Technological University and National Environment Agency opened a new Waste-to-Energy Research Facility on 27 May 2019, bringing Singapore a step closer to becoming a zero-waste nation. The facility, the first of its kind in Singapore, will promote the test-bedding of innovative technologies for converting waste into energy and useful materials.

Find out more on the research facility [here](#).
